

SUBMISSION FORM FOR AFB HONEY TESTING AND AFB/ EFB LARVAL SMEAR TESTING

Gribbles VETLAB is approved by Biosecurity SA to test (for South Australian registered apiarists):

- honey for American Foul Brood (AFB) - both for annual honey testing and as part of AFB management
- larval smears for American Foul Brood (AFB), European Foul Brood (EFB), and *Paenibacillus alvei* (a secondary infection of EFB infected larvae)

1. APIARIST DETAILS <i>(Complete all relevant fields)</i>							
Surname				Given Names			
Street Address						P/Code	
Postal Address <i>If different from above</i>						P/Code	
Home Phone			Work Phone		Fax		
Mobile			Email			Hive ID	

Honey Testing	Standard Fee - 30 day turnaround	\$46.75 per sample
	Priority Fee - 7 day turnaround	\$59.95 per sample
Submit a minimum of 100ml of honey (no bees/wax) in a suitable container clearly labelled as per the Submission Details		

Smear Testing	4 business day turnaround	\$51.15 per sample
Each slide to only contain smears from one hive, be clearly labelled as per Submission Details, allowed to dry, and if not in slide holder, wrapped in Glad-wrap and then placed in break-proof container.		

All prices are GST inclusive and current to 30 June 2022.

Samples must be sent to Gribbles VETLAB (address above) via post/freight OR via your nearest Australian Clinical Labs collection centre (visit www.clinicallabs.com.au/location)

Gribbles VETLAB can post collection materials to a nominated postal address:

- AFB honey sample kits (containing the requested number of 120 mL containers), at a delivery cost of \$15.05 per 2 x 120 mL containers
- AFB slide sample kits (containing the requested number of slides in slide holders, at a delivery cost of \$5.00 per 2 x slides + holders)

To enable annual honey test AFB test results to be submitted at registration, submit sample(s) at least 30 days prior to registration due date and only pay the Standard Fee. If sample(s) are submitted less than 30 days prior to registration due date you will need to pay the Priority Fee.

2. SUBMISSION DETAILS <i>Label sample(s) with your Hive I.D Code and a Sample ID of no more than 5 characters. Complete all fields. In the Code column, indicate A if testing honey for registration, M if testing honey for management, or S for smear.</i>							
Code	Sample I.D.	Apiary/container I.D	Sample date	Code	Sample I.D	Apiary/container I.D	Sample date

Copy form if additional samples need to be submitted.
